Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- **Production Company allowed to film on Vista Helipad June 23, 2011 from 5pm – 4pm.**
- **Production Company allowed to base camp along Vista Del Valle but vehicles must be parked single file and orderly.**
- **Production Company ok to have water based fog machine.**
- **Must allow sufficient space, which is at the discretion of the monitor, to serve as a fire lane.**
- **Production Company is not allowed to stake into the Helipad pavement unless approved by maintenance.**
- **Cannot impede park patrons from park activities.**
- **Cannot interfere, prevent, or clear park patrons from the location of filming.**
- **Mt. Hollywood is closed to patron vehicular traffic, not foot traffic.**
- **Must work around maintenance activities.**
- **Monitor will open gate at Vista Del Valle. If company needs to travel in and out, the company is responsible for manning the gate. The monitor is to stay on site at all times. Monitor is not to leave site to open and close gates after initial arrival.**
- **Large trucks MAY NOT enter/exit thru residential streets from 10pm-7am (Vermont, Hillhurst, Commonwealth, Fern Dell).**
- **If the company needs to enter or exit the park prior to 7am or after 10pm must use Mt. Hollywood via Travel Town side, back down to Vermont and then to Commonwealth Road to Vista Del Valle.**
- An on site Fire Inspector must be present as determined by LAFD.

It is the company's responsibility to distribute these guidelines to all crew members. These are general guidelines for the area and are subject to change depending on your request.
6/22/2011

NOT A PERMIT

- **In event of an emergency, the Fire Inspector, along with the Park Film Monitor, will direct as necessary to vacate the Helipad or evacuate the park. This directive will be strictly enforced regardless of the status of film activity. Location Manager must be aware of this risk.**
- **Vehicles parked on the Helipad must be parked and attended in such a way as ALL vehicles can vacate the Helipad within 5 minutes.**
- **No standing sets, catering trucks, generators, dressing rooms, or other equipment that cannot be readily moved or driven off is allowed on Helipad.**
- **When vacating the premises, vehicles must vacate as to not damage the Helipad surface. Watch for raised edge as to not "bottom out" on the Helipad. Company will be held responsible for restorations.**
- **Pyrotechnics, stunts and special effects require approval of the Park Film Office.**
- **Production companies are responsible for monitoring the initial gate leading up to the Helipads.**
- **Production Company does not have permission to enter Vista Del Valle from Mt. Hollywood Dr.**
- **Production Company does not have permission to be on any equestrian trail.**
- **Production Company does not have permission to be on grassy area south of Gene Autry museum due to it being part of the museum.**
- **Must use caution for hikers, bikers and equestrians.**
- **May not drive any vehicles onto the trails at any time.**
- **Large trucks may only enter through North gate near Travel Town.**
- **May not block any parking lot entrances or driveways.**
- **Must maintain access to the dumpsters.**
- **Okay to do up to 2 minute ITC while cameras are rolling only.**
- **Does not have authorization to enter premises of Toyon Landfill.**
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.

It is the company's responsibility to distribute these guidelines to all crew members. These are general guidelines for the area and are subject to change depending on your request.
6/22/2011

NOT A PERMIT

- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
